SUID-AFRIKAANSE PLAAGBEHEERVERENIGING

**SAPCA** (NPC)

## CROPLIFE SA

### **Agricultural Remedies Database Library**

\*\*\*\*\*

**Croplife SA has three database sets which can be utilized by any pest control operator.**

- 1] CLSA Agricultural Remedies Database on [www.croplife.co.za](http://www.croplife.co.za) lists basic information of all registered pesticides in South Africa under insecticides, fungicides, herbicides, plant growth regulants and household & hospitality
- 2] Croplife Compendiums for sales
- 3] Agri-Intel Database on [www.agri-intel.com](http://www.agri-intel.com) which covers basically all pests in agriculture

**The Agriculture Remedies Database and Agri-Intel are free of charge for anyone who wishes to use it.**

**Contact Croplife on 087 980 5163 for more information.**
