**Dear SAPCA Members, here is a great opportunity for you to grow your business and subscribe to Online tenders for Pest Control and Hygiene Services tenders.**

Online Tenders provide both suppliers and service providers with the opportunity to view an extensive collection of business tenders from many different industries including the public and private sectors. For a nominal subscription, a registered user acquires access the latest business tenders available on the Online Tenders website and receives daily industry specific alerts.

Once you find a tender that you are interested in, you can click on the tender link to view the full contract details of this potential business opportunity.

New opportunities are listed daily from all levels of government and private sector companies throughout Africa. Tenders are dispatched daily to subscribers to ensure timely delivery. The tenders are sent via email, and, as a subscriber, you can access the notifications and other tender information directly from the website.

There is no contract period and subscriptions can be cancelled by a fifteen days written notice.

To subscribe online, click the 'Subscribe Now' button and click the 'Online Subscription' link. In three easy steps you can become a registered subscriber. First enter your contact details, thereafter select your profile and finally you will need to enter your payment details (Direct Deposit/EFT, Credit Card or Debit Order). As a subscriber you will have access to the latest tenders and business leads posted onto the Online Tenders website and daily industry specific alerts forwarded to you.

Subscription to the comprehensive Online Tenders business leads service is either by monthly or annual payment and includes profiling, research, account management, daily tender searches, email of tender notices and day-to-day support. For your investment in Online Tenders, you will have access to all the opportunities you need for your business to thrive.

Visit [www.onlinetenders.co.za](http://www.onlinetenders.co.za) to get the latest tenders and business leads.
