

Letter from the **CEO** Lynette Cokayne

ANNOUNCEMENT

I'd like to thank the SAPCA Board of Directors for the opportunity to work in the CEO position for 5 years.

Dear Members

After much deliberation, discussion and negotiation, I am privileged to announce that I have accepted the position of Executive Director of the PCSIB (Pest Control Service Industries Board) from the 1st June 2016.

I'd like to thank the SAPCA Board of Directors for the opportunity to work in the CEO position for 5 years. Thank you to the members for all your support for all the years I've been with SAPCA. I greatly enjoyed and appreciated the opportunities I've been given working for the Association. The last 13 years

has been incredibly instrumental in my personal growth, and I will never forget the colleagues and friends I have made here. I immensely enjoyed working for the Association and appreciate the support provided to me during my tenure with the company.

I will not totally be out of the industry. This is a life changing decision for me and I'm looking forward to giving my contribution and add value to the successful growth of the PCSIB. The PCSIB as registered training provider

offers a variety of Skills Development short courses as well as NQF Level 4 courses which are designed to meet the need for quality training.

I wish SAPCA continued success with all future projects.

All the best

Lynette
