The staff at SAPCA offices have been very busy with new member applications and we thank all the new members for their confidence in our association.

SAPCA is in good hands and we can be proud of the fact that we have a MOI that is the backbone of the association. This MOI was implemented a few years ago to protect SAPCA from being abused. Your local chairpersons and elected members that sit on the BOD are dedicated and spend a lot of time on SAPCA business without any form of remuneration. On behalf of the entire industry I thank you for your contribution.

SAPCA's BOD is busy relooking into the running cost of the CPD in order to bring to the members an affordable price structure.

SAPCA BOD is currently looking into amending the MOI to allow for individual membership category. These changes will be presented at the next AGM in September.

We would like to remind everyone of the SAPCA CleanTex Executive Summit 16-17 September 2020.

Remember to Register now and save.

To qualify for Early Bird specials, book and pay before 31 March 2020.

A few stands are still available for exhibitors and sponsorship.
