

Motion to incorporate 'Individual Registration' to SAPCA MOI

With reference to the Agenda of the National AGM held 22 September 2020
Point no: 7 refers;

SAPCA Memorandum of Incorporation, By Mark Enslin - 'Individual Registration'

As per Mark Enslin's presentation, the meeting agreed that individual registration is important and needs to be adopted in the MOI.

A motion was submitted in terms of 'Individual Registration' category to be submitted into the MOI.

The Definition of the Individual registration is as follows: 'Any individual who is actively involved in the Pest Management industry, either self-employed or working for a Pest Management firm or related Company, who is not otherwise eligible for membership of the Association, may apply for Individual Registration and pay dues as established by the board'.

In view of the legality of the motion it was decided that this motion be circulated after the meeting to all member companies for comments and/or suggestions for a period of 21 days. Please make sure your response to this motion is received within **21 days** from this 28th day of September 2020.

We will be awaiting your response, after which this motion will be included into the MOI.

Thank you for attending the NAGM
